The Box Gang Advantage

Vertical Lift Latch and Standard Hinge System

Secures the door ensuring safe transport and easy unloading of the container and increased safety for the operator. Latch assembly & hinges are made from stronger prime steel in the USA.

HD Uprights & Nose Cone Rollers

Heavy duty uprights with wear plates. 4" x 6" nose rollers fit most manufacturers hoists helping ensure safe, smooth pick up and drop off of container.

Greaseable Rear Rollers & Door

8" Ground Rollers add to the longevity and durability of the container. Door over floor adds strength and prevents door sagging.
